Bunbury Swimming Club recognises and values the importance of creating a healthier environment for everyone who attends our venue. This policy sets out the aims and principles of the food and drinks provided within our sporting club and ensures the club aligns with best practice alcohol service and smoke-free environments.

Healthy Food and Drink Policy

Bunbury Swimming Club is committed to providing healthier food and drinks that align to the Australian Dietary Guidelines and the Australian Guide to Healthy Eating, which establish the basis for a healthy eating approach.
